PROFILE

I'm Mansi Agrawal currently pursuing BCA from Rashtrasant Tukadoji Maharaj University, Nagpur. I'm final year student with strong foundation in programming and web development. I'm passionate about learning new technologies and applying my knowledge through practical projects and certified courses. I'm eager to start my career in the IT industry and contribute to team goals.

EXPERIENCE

Fundamentally, I'm a fresher with basic knowledge of computer programming and web development. I have learned languages like C, C++ and Java during my studies. I also know how to create simple website using HTML and CSS. I have done some small academics projects and enjoyed learning through them. I'm a quick learner, hardworking and always ready to improve my skills. I'm looking for a good opportunity where I can start my career, gain real work experience and grow in the IT field .

COURSES

Great Learning:

- Introduction to Web Development
